Cheri,

Hmmm.... I don't go to your school either, but what the heck! I'm glad that we got to meet each other again. I would have enjoyed spending some time with you at the beach. Graduation only comes once you know!

We will have to go to the beach again this year for the '82 graduation. I'm really glad that we met again on River Street. You have to be careful down there. There are all kinds of freaks and perverts hanging around.

Yep, if you were at Armstrong we might could fail some classes together! At least they wouldn't be boring!

I don't think your mean at all. Your a very sweet girl and I think your <u>good looking</u> !!! (Part! Part!) I hope we get to spend <u>alot</u> of time together.

Oh, by the way - if you try to find my picture in this annual - you won't find it. It's in the really great annual. Tompkins High School Annual!

Well, I've about finished now.

Love Ya,
Johnny Monroe

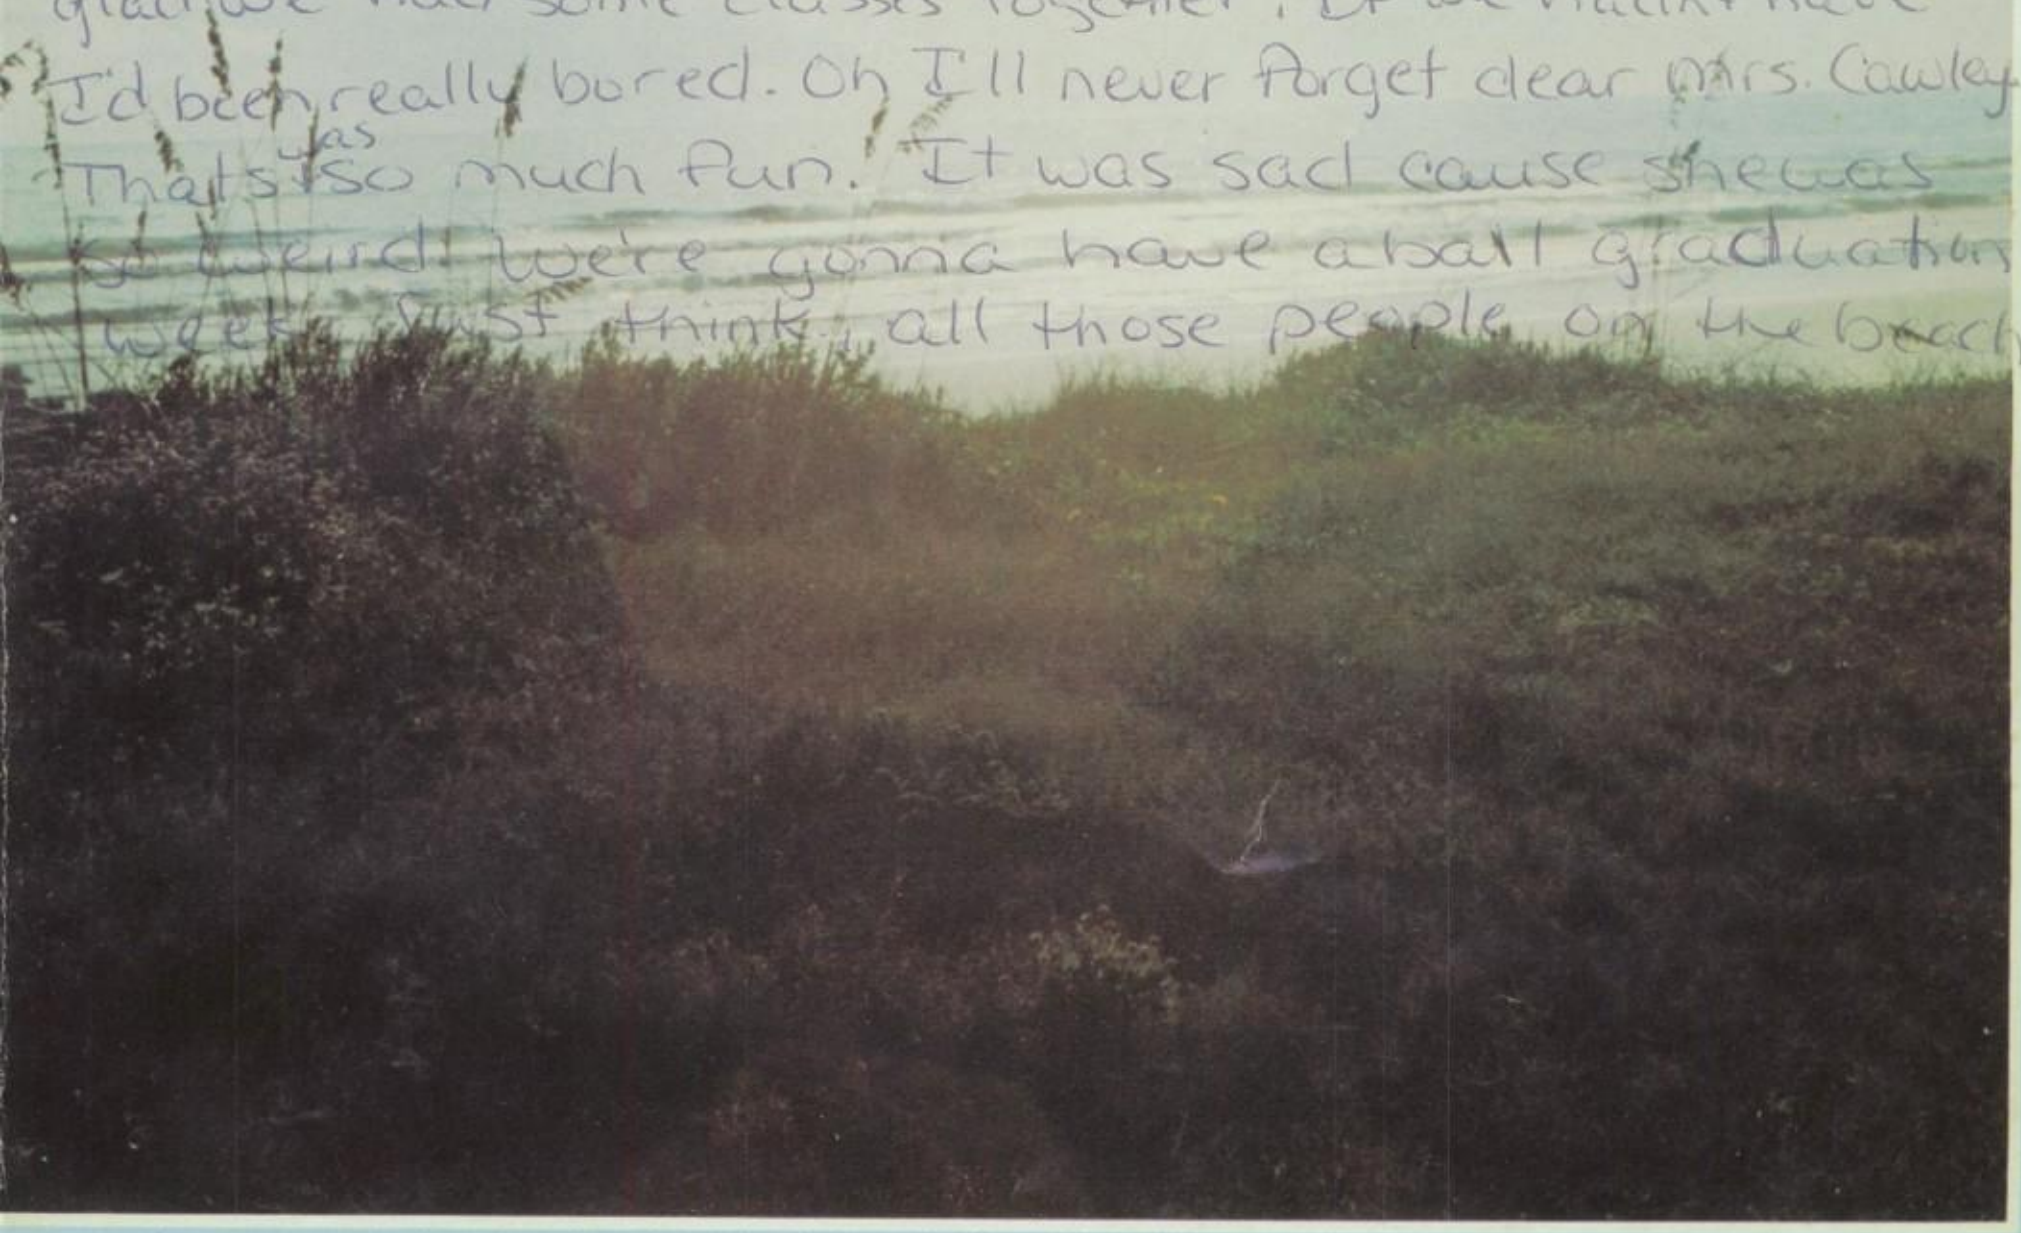
Sheri,

I guess you think your bad. Well your not. Just kidding. Its been a great year, I guess. Its sad that I had to get kicked out of Calvary in order to go to Savannah High. But it was worth it. I really love Savannah High. But a few things have gone wrong but we'll over look them. ok. Im really glad we had some classes together. If we hadn't have I'd been really bored. Oh I'll never forget dear Mrs. Cawley That's was so much fun. It was sad cause she was so weird! We're gonna have a ball graduation week. Just think, all those people on the beach



and us with our apartment. That's gonna be great. Ive really enjoyed all the good times we've had and I surely hope there will be plenty more. There had better be. Well take care and be good.

Good morning yesterday

Love ya lots

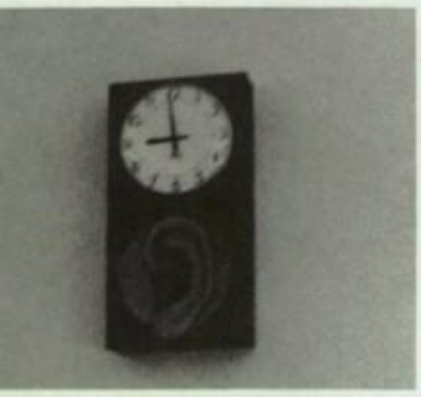
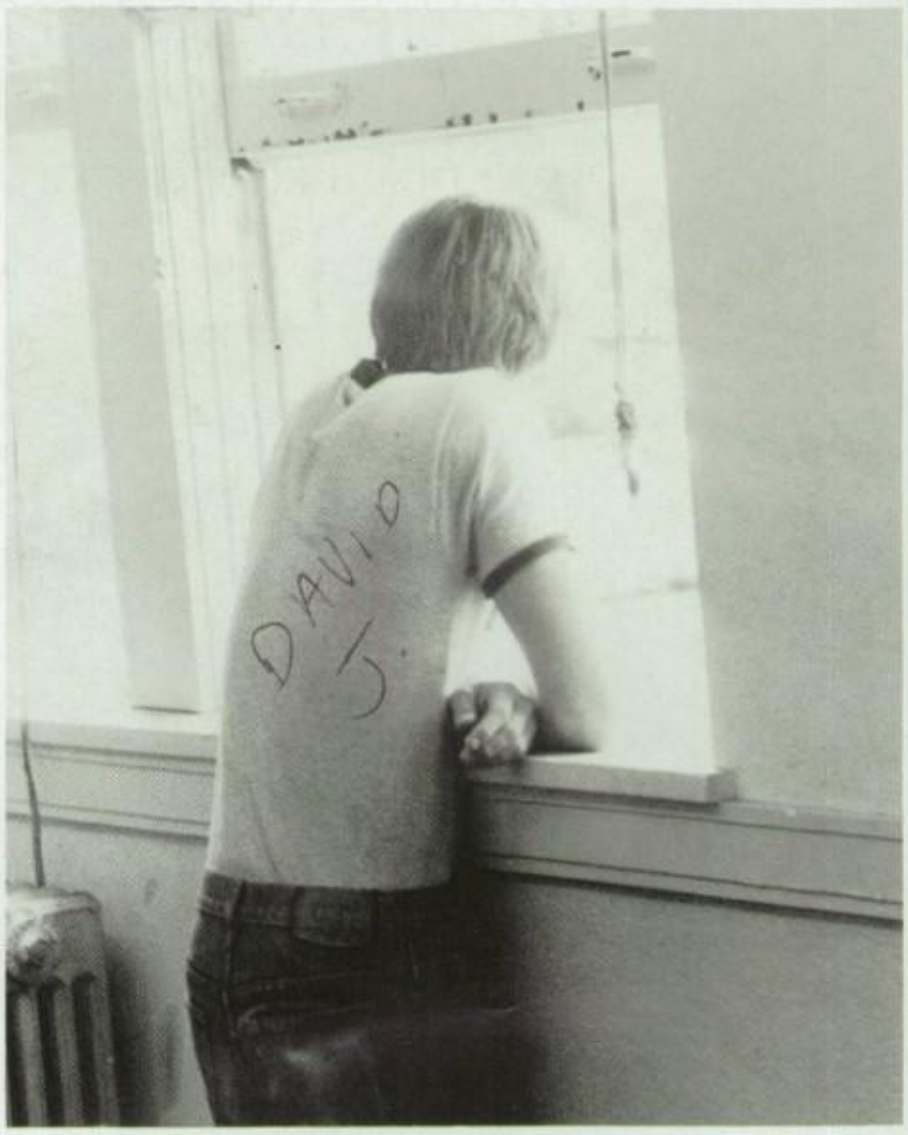
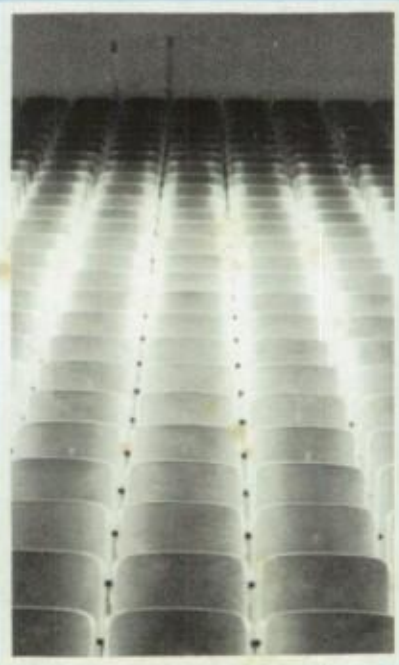
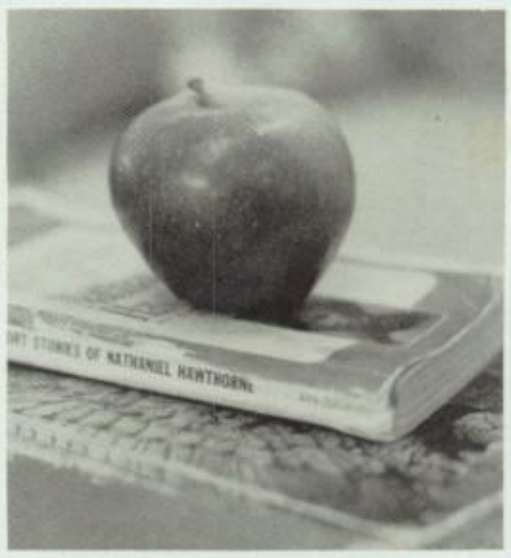
You wake up,
and time has slipped away

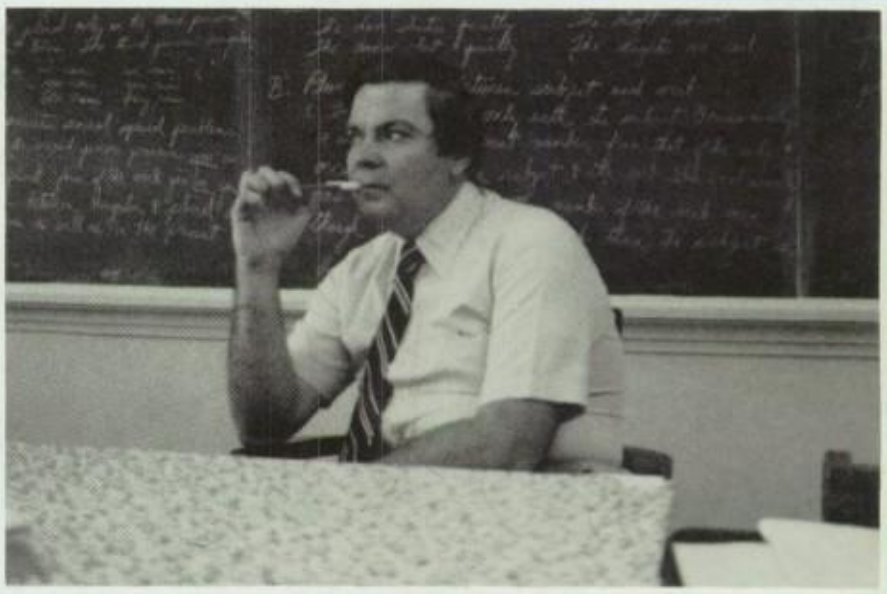






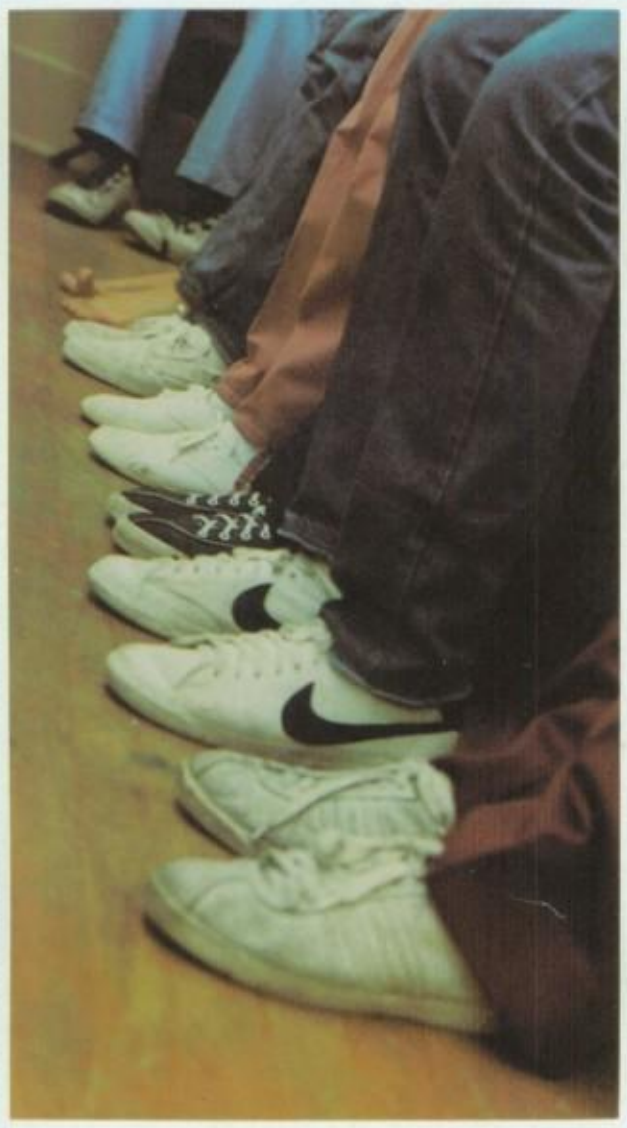
Lyrics © Kinfolk
Music Roger Nichols
Copyright 1974 Roger Nichols Music, Inc.

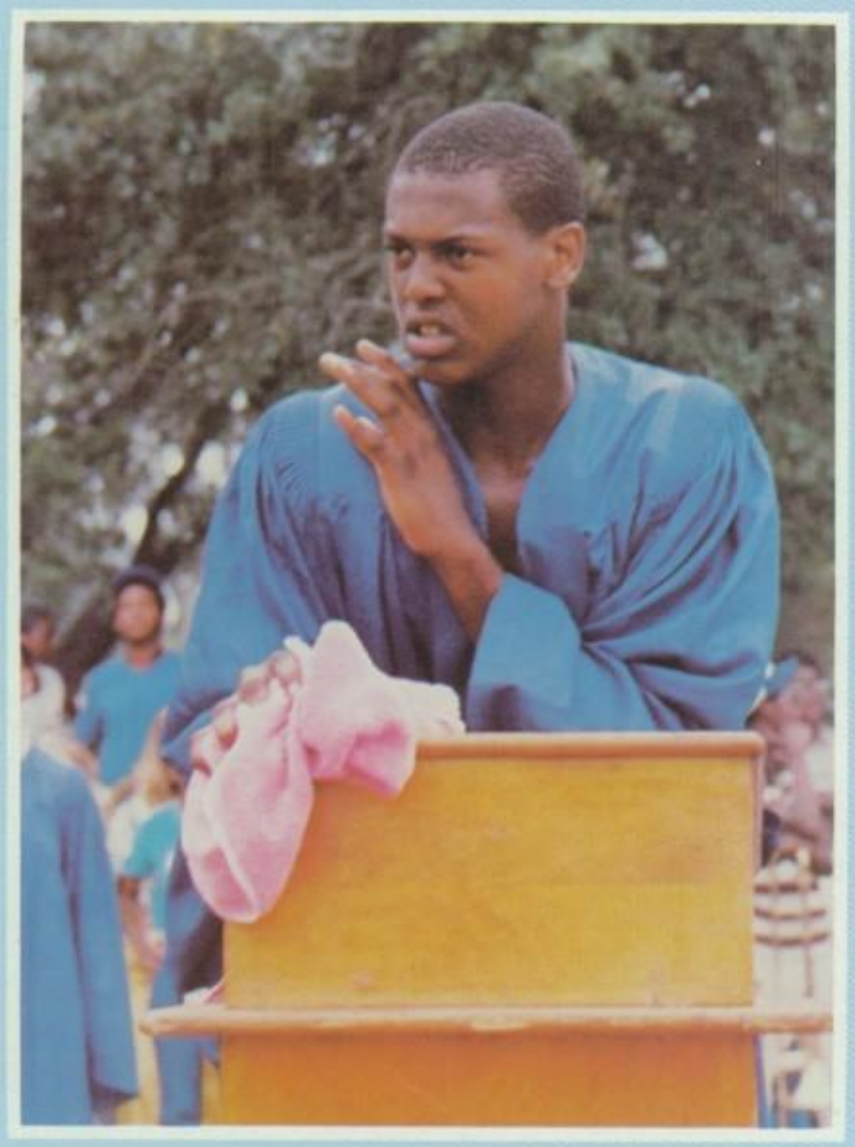


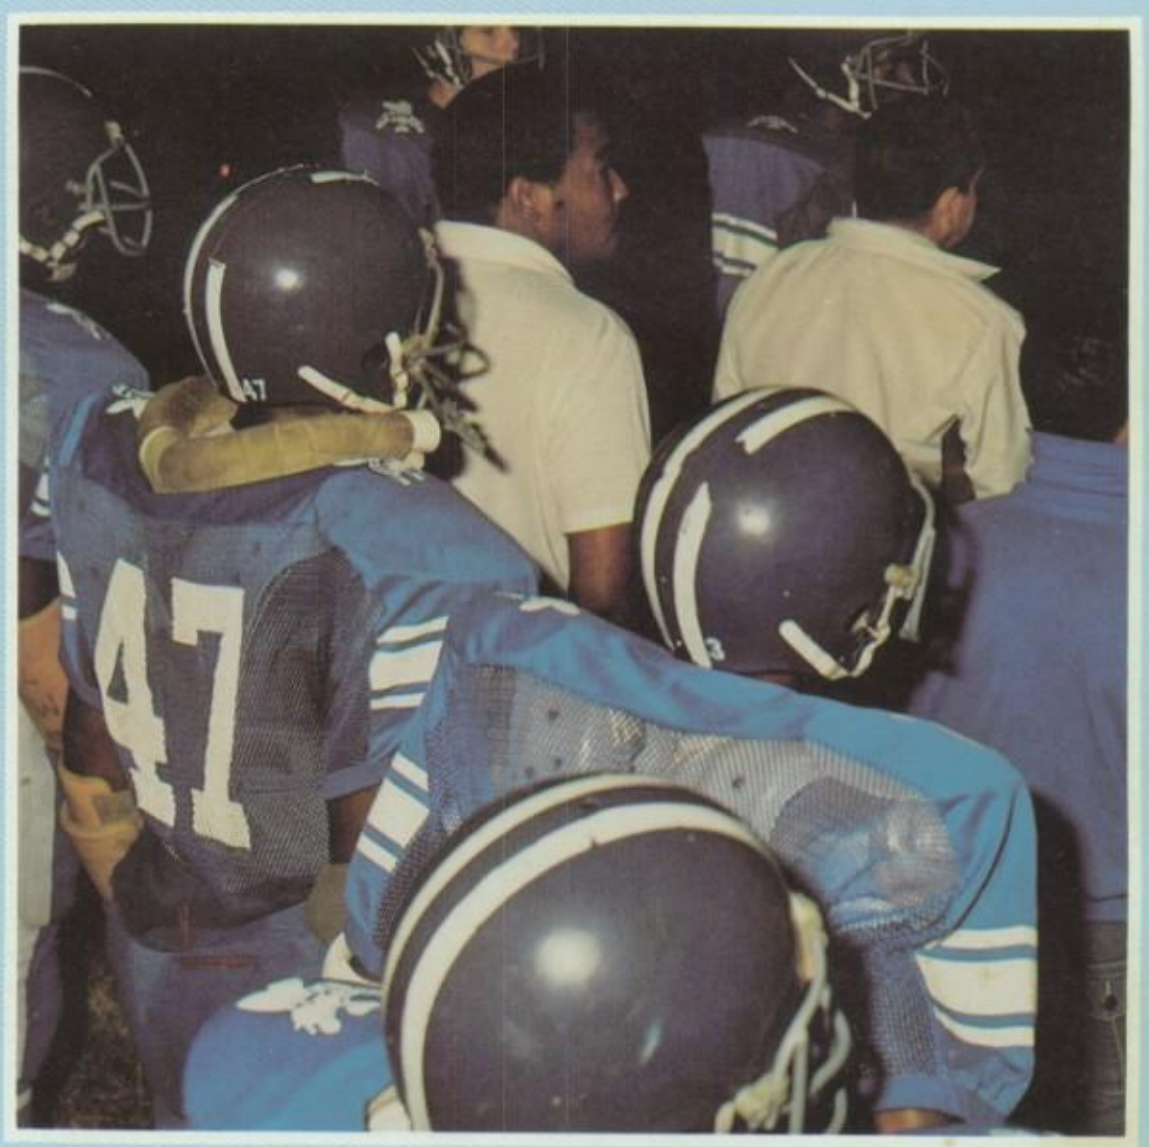


And suddenly it's hard to find
the memories you left behind
Remember, do you remember

The laughter and the tears
the shadows of misty yesteryears

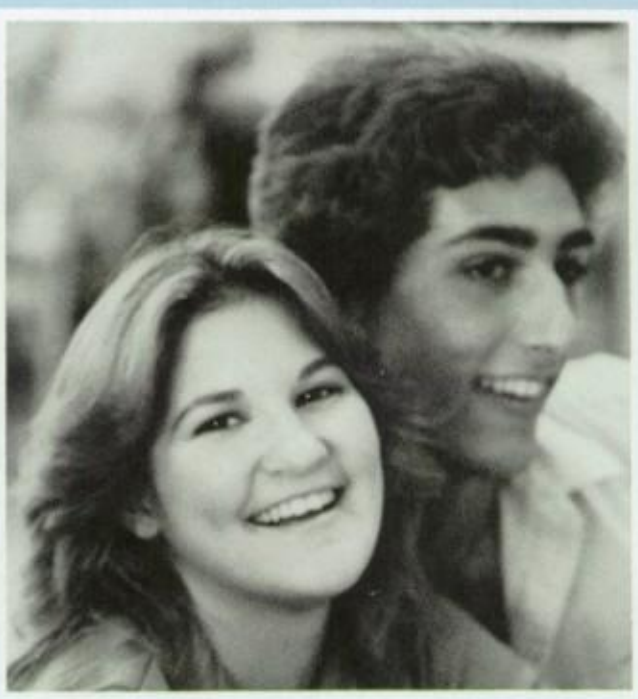




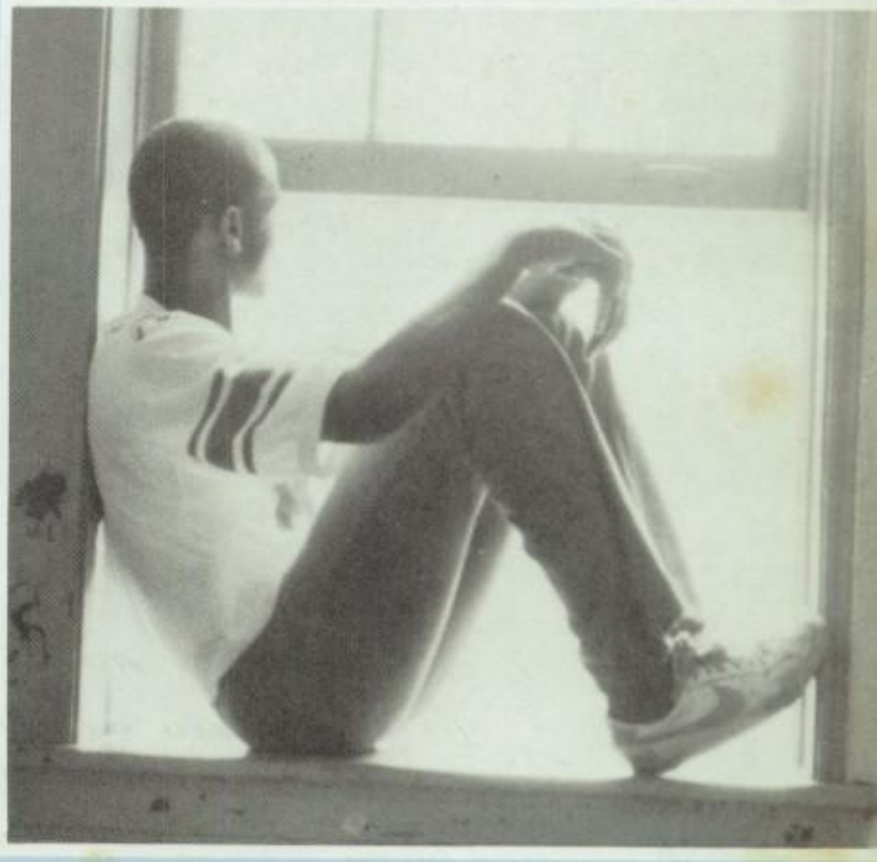


The good times and the bad you've seen
and all the others in between
Remember, do you remember?

Reach back for the joy and the sorrow
Put them away in your mind



For memories are time that you borrow
To spend when you get to tomorrow

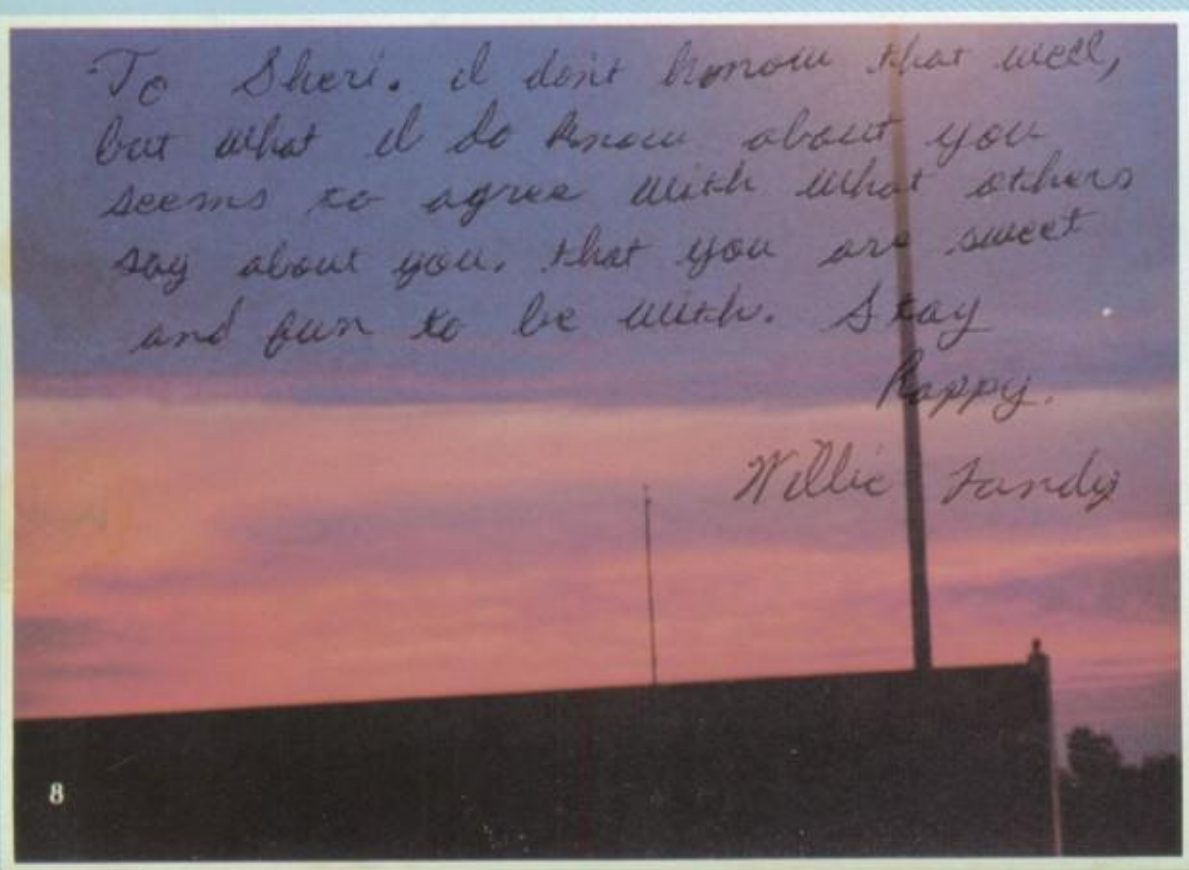


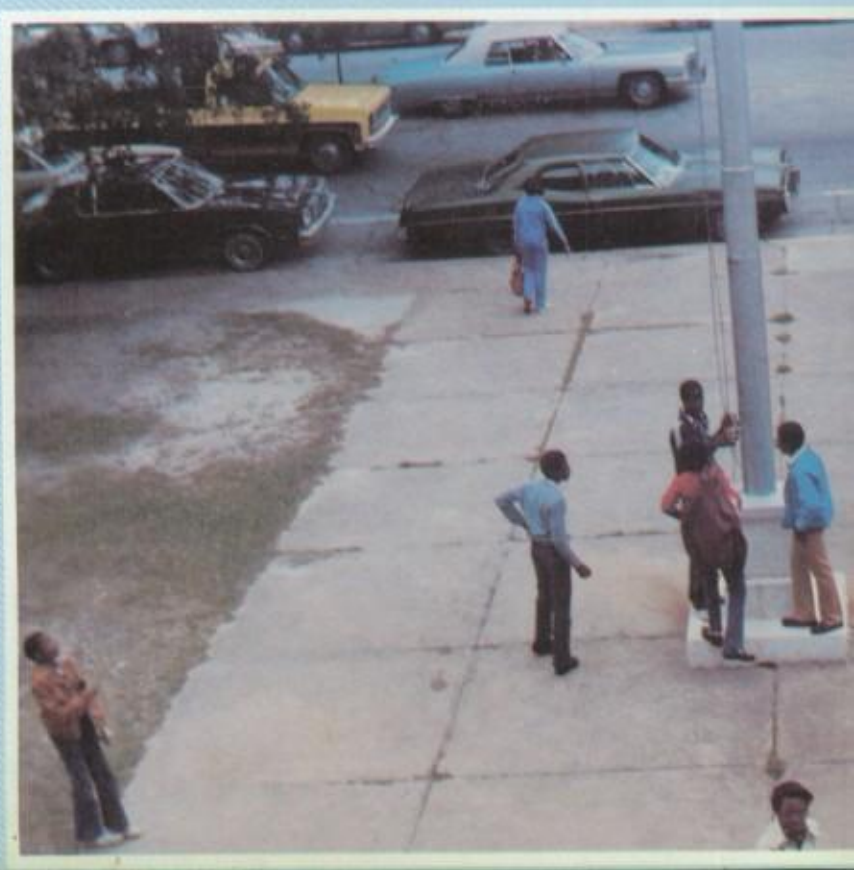
Here comes the setting sun
The seasons, are passing one by one

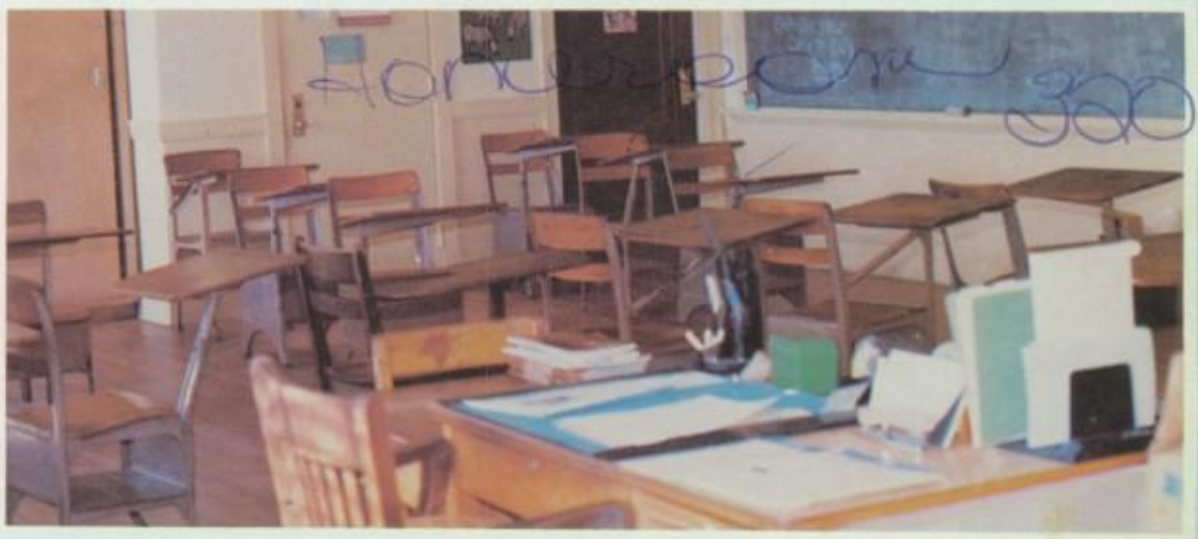
So gather moments while you may
collect the dreams you dream today
Remember, will you remember

To Sheri. I don't know what will, but what I do know about you seems to agree with what others say about you. That you are sweet and fun to be with. Stay Happy.

Willie Sandy







Shein,

Remember 3rd Grade? Seems like it was centuries ago, but the memories are still there. I am glad we have remained close because friends like you are hard to come by. We've shared some good times that will always remain special to me. You are attractive and sweet beyond a doubt, therefore, anything less than perfect won't make it. You deserve the best in life. I hope our friendship will continue to endure for many years to come. You are special in many ways, if I only had the room (on this page) to tell you. I hope to see you Grad Night. In the meantime, Stay Sweet

Dedicatee

This year's dedicatee has a unique personality complemented by superb wit. He remains an individual in a world characterized by conformity. He recognizes the strength, the talent, the ability in everyone and encourages those qualities. He is a counselor to those who seek his advice, a teacher to those who seek his knowledge, and a friend to those who desire his friendship.

In recognition of and tribute to his influence on the scholarly and social dimensions of Savannah High School, we dedicate the nineteen hundred eighty-one Blue Jacket to Mr. William Kennedy.

OFFICE OF THE PRINCIPAL
Joel Formby

October 15, 1980

To the class of eighty-one:

I wish to extend to each member of the class of eighty-one my sincerest congratulations upon having completed the requirements for a high school diploma. You have proven during the past four years that you have the ability, the will to succeed and are willing to work hard to reach your goal.

It has been a pleasure and a truly rewarding experience having worked with you these past years. I have enjoyed every minute, and I shall always look back with fond memories to the class of eighty-one. As to the future, I hope and wish the best for all of you. I am sure that with hard work any goal you set can be reached.

In closing, I like to quote a famous author who was being questioned as to luck vs. hard work. He said: "I am a great believer in luck, and I find the harder I work the more I have of it."

Sincerely yours,

Joel W. Formby, Principal

This year's staff was a group of hard-working students who were faced with out-of-town seminars, a trip to Six Flags, a super Christmas party, and once healthy, but now cavity-worn teeth (from selling about $5,000 worth of candy). But with the help and understanding of our advisors, "Mama Haile" and Faye Stansbury, we somehow managed to pull through and meet the deadlines (always at the very last minute), to complete a yearbook that will never be forgotten!

B.C. Slips By S.H.S.

The traditional rivalry between Savannah High and Benedictine was renewed as B.C. slipped by the Jackets 21-13. The score is very misleading because S.H.S. lead in every statistic except punts. The rivalry, traditionally played as the last game was moved to second to allow room for Coffee County in the Schedule.

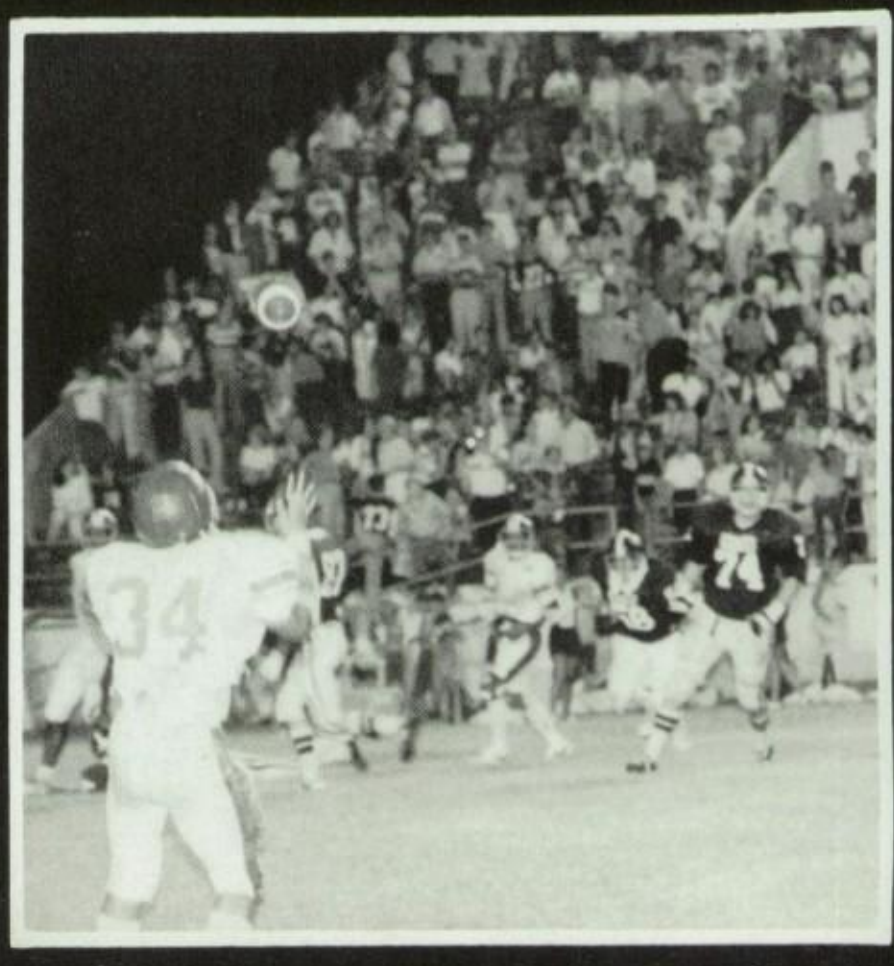
With B.C. leading 21-7 in the middle of the 4th quarter, Kevin Hutchenson picked off a Benedictine pass attempt giving the Jackets the ball at their own 38.

From there Savannah High went 62 yards in 11 plays, the final 11 yards coming from a pass play from QB, Covington to Hutcheson, who made the catch in the end zone with 3:59 remaining.

A two-point conversion attempt by the Jackets failed, making the score 21-13.

Predictably, the Jackets attempted an onside kick following the score and it was recovered by senior Eli Moran at the B.C. 45 with 3:48 left.

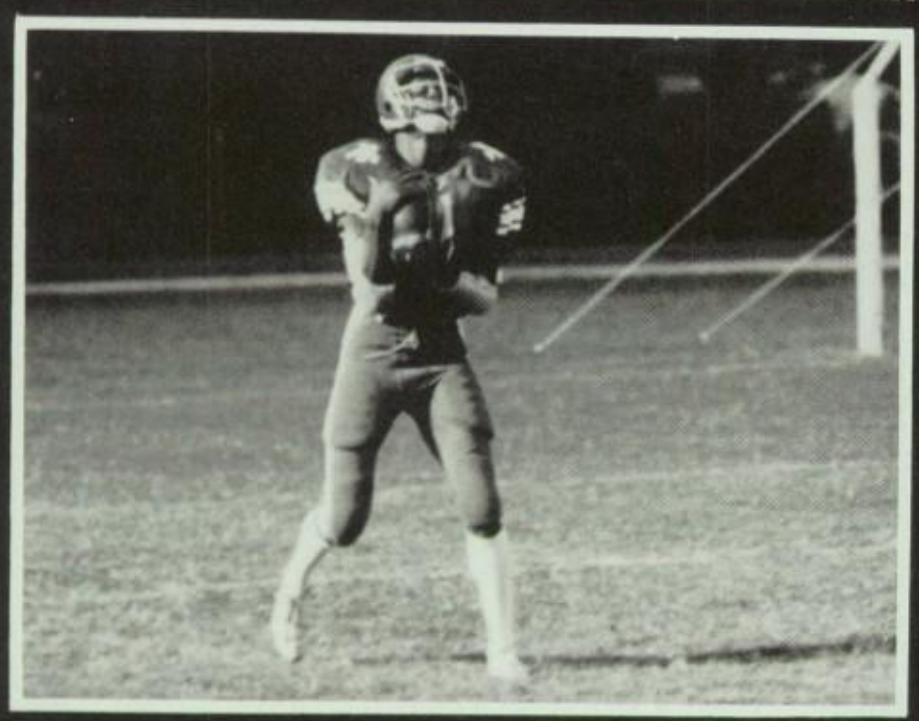
Time ran out before S.H.S. could score again, but the players and coaches should be proud of a fine exhibition of football strategy.



Jackets Vs . .

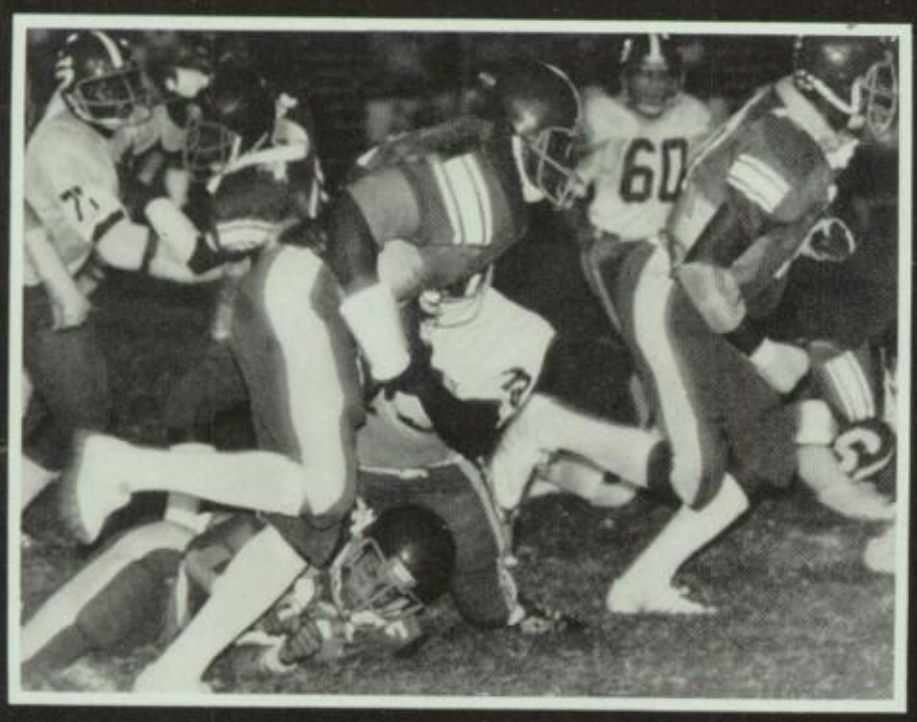
Tompkins

The 2 halves of the Savannah High opener were like 2 separate games. The mighty Blue Jackets completely dominated the 1st half, while the 2nd half belonged to Tompkins. The Savannah High offense made 20 points while the defense allowed only 8 to the Wolverines. The outtanding player was senior Melvin Williams, who scored 2 touchdowns and made several important runs.



Glynn Academy

Savannah High captured a 15-6 decision over Glynn Academy in both teams' first sub-region contest. It was a very close game; the deciding factor being a fake PAT in which quarterback Clinton Covington tossed a pass to Kevin Coleman.



Groves

The Blue Jacket defense and rushing attack was the deciding factor in their contest against the Groves Rebels. S.H.S. rolled up an impressive 216 yards rushing to shut-out the Rebels 14-0.

Windsor Forest

The Windsor Forest Knights soundly defeated the Blue Jackets on a stormy Saturday night. The Knights blew up a storm of their own as they dominated the Jackets in every aspect of the game. Walter Rouse ran for the Jackers' only touchdown of the game as Windsor beat them 17-6.

Jackets Fall To Devils

Savannah High School lost their Homecoming game in a heartbreaking defeat by a determined Statesboro team. Walter Rouse started the first quarter scoring spree with a 74-yard touchdown run on the first play from scrimmage. Clinton Covington hit Rouse on the conversion to make the score 8-0.

After a Blue Devil score, S.H.S. came right back and scored on an 8-play, 70-yard drive capped by a 5-yard run by Melvin Williams, making the score 15-6.

The Devils came back in the late part of the game to defeat S.H.S. 34-15.

Rouse proved to be the workhorse for Savannah High having 130 yards on 10 carries.

Jackets vs . . .

Bradwell

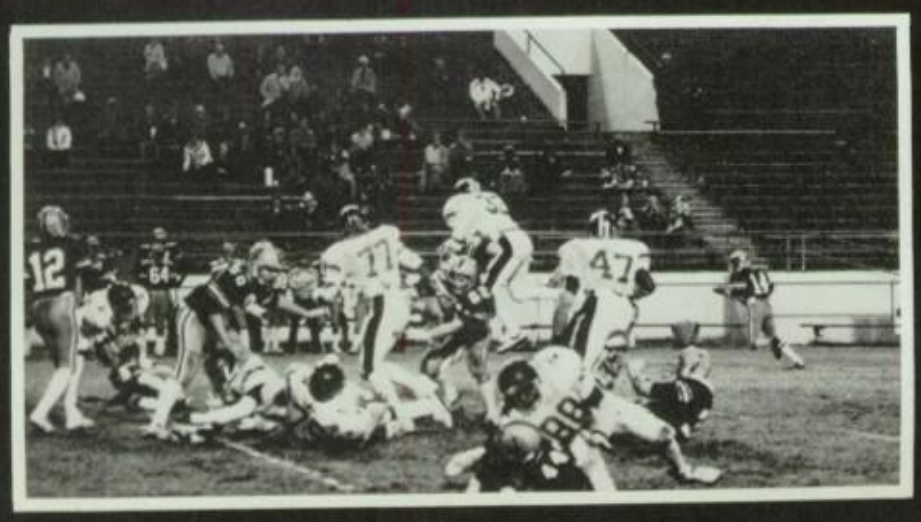
The Blue Jackets traveled to Hinesville to face a tough Bradwell Institute Team and came away short-handed, being beat 21-14.

Jenkins

Johnny Mills Kicked a 21-yard field goal with 1:25 remaining to give Savannah High a pulsating 12-10 victory over the warriors of Jenkins. Savannah High dominated the first half of the game, thanks chiefly to Jenkins turnovers. The Blue Jacket attack included 1 touchdown, a safety, and the winning field goal by Mills.

Coffee Co.

The Coffee County Trojans, new in the region this year, scored 21 second-half points to jump past the Blue Jackets 28-7. The only S.H.S. score came in the second quarter when Walter Rouse ran in from 60 yards out to hit pay dirt. He was the Jackers leading rusher with 67-yards on 4 carries.



Johnson

In the last game of the 1980 season, Savannah High pulled off a heart-stopping victory over a determined Johnson team. The big play came inovertime as Walter Rouse ran the ball to the 1-yard line and Melvin Williams made the typing touchdown. As the clock ran down in the over-time period, the Jackers won by penetration, 22-21.

The Savannah High School Blue Jacket basketball team entered the 1980-1981 season with high hopes. After two losses on the road in Florida, the Jackets came home ready to play. They compiled an impressive six game winning streak, devastating opponents on the newly playable S.H.S. home court. This euphoria was quickly sobered as the Jackets had to forfeit all of these games due to two ineligible players.

The Jackets did not stay down for long . . . they went on to beat Jenkins to win the Christmas Tournament.

The Blue Jackets are a young team with a lot to learn, but they are destined for championships in the coming years.

The Savannah High School Soccer team, who are the reigning city champions, prepared to meet this year with the spirit and courage that made them champions. Led by senior goalie Mark McKim, the team played brilliant defensive and offensive ball, making several exciting games fall into the Jackers' win column. Coach Bill Foran has done an outstanding job with the team and should be commended for his personal efforts which brought a championship to S.H.S.

Savannah High head football coach Bobby Gee left his position at S.H.S. to take on the task of becoming Director of Athletics for Chatham County. His seasons at Savannah High included a sub-region championship in 1979 and several thrilling victories. Although he will be missed by all at Savannah High, we wish him the best of luck in his new position.

RESERVED FOR SOMEONE SPECIAL

Courtesy Of Bryn-Alan-Our School Photographer

Sheri Ann Clark,

This page is dedicated (from me) totally to you and what you have accomplished these past few years. To begin with, it has been a pleasure and joy knowing you. You have become to be a very special person to me. All of your problems and accomplishments have proven to bring me closer to you - although we could have done without the problems.

I guess these years have been years that growing has been fun, exciting, and even interesting. I'll never forget the tenth grade and the many "wars" of our times. They're funny to think about now, I guess that means we have "matured" oooh!

Now, as we're drawing near the end of school, I'm starting to feel a little sad because I won't see many of you after I move (to Glenville). I'm gonna especially miss you and your pretty smile. You have a lot to be proud of as a person, lady, and all around beautiful woman. Remember that it is always better to forgive and forget. Thanks for being Sheri Clark towards me. You are very near to my heart.

God Bless You

YOU MAKE ME FEEL BRAND NEW

Love always,
Daniel W. Clements

Epilogue

This year, we, the Senior Staff came together with one purpose in mind-to make the best annual in Savannah High's history. We believe we have succeeded in doing just that. Because to us, an annual is more than a book with pictures of friends inside. It is a special, meaningful book, full of memories-both good and bad. It makes us recall the teachers and homerooms who always disappeared when it was time to take their pictures. It brings to mind the smell of Reese's Cups and the sight of a lost, lonely blue Volkswagen stuck at Daffin Park.

Even more than this, the book is a symbol. A symbol of our unvoiced appreciation and respect for our advisors, Miss Stansbury and Mrs. Haile, who deserve more credit for this book than anyone could imagine. Most importantly, it is a symbol of our friendship and love for each other which, through thick or thin, grew more as each page was completed.

In the many years to come we can look back through the pages of this simple book, and while it brings back memories and excitement to all of you, it will do much more for us. It will bring back our pride, our memories, and our love for each other, which time can never erase.

1981

Alma Mater

Our Alma Mater, S.H.S.
You stand beneath a southern sky,
Oh, how our hearts are filled with pride
When'er you banner waves on high.

Loyal to thee, our guiding light,
We'll ever praise the Blue and White.

When from your classrooms we have gone,
Our places in the world to find,
In mem'ry we will come again,
And gather round old High School's shrine.

Loyal to thee, our guiding light,
We'll ever praise the Blue and White.

Autographs

Sheri, from the time that I new you it has been sweet. you are the most outgoing person in the world, and I wish that you were my sister. I hope that you will go to college, make a career, and marry Teddy. I'm glad that I knew you and I will always remember you as you are. You are very sweet nice understanding and "crazy." And I will always love you. Don't do anything to hurt Ted and I hope he doesn't do anything to hurt you. I hope that you have four kids, live in a big house, and have a maid. There is so much that I could say to you, but the words that I say just can't discribe you. You are one of a kind. And I hope that you will always ~~stay~~ that way. Please remember me, cause I will always remember you.

Love always
Jaye

Sheri,

Well, the time has come to graduate. But we will never say good-bye. We have been through plenty of good and bad times, but I had rather remember the good.
I do believe everything started in the "tenth" grade, I think that was everybody's biggest year. It was the big time. I am so glad I got to know you. The arguments were not fun while they were happening, but as I look back I can't help but laugh and think how silly they were. Your friendship has always been very special to me, and I will always treasure the past moments and look forward to the ones to come in the future. You are a very nice person who is a joy to be around. You have a wonderful personality and you should go far in life. I will always pray that our friendship will never end and nothing will ever come between us.

I will never forget the summer of '79 at Ridgecrest. I thought we were both sick. But nothing else could ever take its place. I know we shocked everybody that knew us when they walked by and saw us (of all people) huggin' and cryin'. But I wouldn't change one moment if I had to.

Well, I will be seeing you on Sundays at Church, but I do expect to see you more than that over the summer and even after then. You will always be one of my dearest friends and our memories I hold very close to my heart. Well, I do believe I had better close now. Just remember that I'm always around the corner if you need someone. I love you very much. You are my sister in Christ and many other ways. May God bless you in everything you do.

Love always, Kim

Sheri,
I wish you the best of luck in your future years. Since I've kaown you, you've been a nice, witty person to work with. I hope you stay that way. If you ever need a favor from me don't hesitate to ask.

Sheri,
Well, what can I say. You're finally a senior, and I wish I was in your place. But, I will be up there next year, and I cannot wait. Anyway, it has been great knowing you. I would consider you one of my closest friends I have, and ever had. We've been through some bad times, but we've also shared a lot of great times too. And we have been friends more than we've been enemies, and I do believe our friendship will always last, even if it'll be on and off. But I doubt it. I want you to always know that I will be there for you when you need to talk to anyone [illegible]
